Experienced Data Engineer with over a year at Accenture, specializing in optimizing data integration within Microsoft Azure. Proficient in Azure Data Factory, Python, Pyspark, and MS SQL, I've enhanced data workflows with a 99% pipeline up-time. Skilled in cloud platforms, data visualization (Power BI), and version control (GIT/Github). **Explore my portfolio for a closer look at the projects I've successfully delivered.**

SKILLS

- ***ETL:*** Azure Data Factory (ADF), Azure Data Lake Storage, Azure Synapse Analytics, T-SQL Queries, Stored Procedures.
- ***Programming and Scripting:*** Python, Pyspark, MS SQL.
- ***Cloud Platforms:*** Azure, GCP, Azure Databricks.
- ***Data Visualization and Version Control:*** Power BI, GIT/Github.

WORK EXPERIENCE

Data Engineer | Accenture, Hyderabad   *October/2022 - October/2023*

- ***Role:*** Microsoft Modern Data Platform Associate
- Successfully developed and implemented innovative solutions in data integration, including creating efficient linked services, dependencies, and stored procedures in Azure Data Factory.
- Demonstrated proficiency in SQL through daily usage, conducting queries, and utilizing general SQL skills for efficient data extraction and manipulation.
- Actively participated in daily calls, sharing accomplished tasks and work-in-progress updates in the context of a support project.
- Consistently delivered daily Power BI reports to business users, ensuring timely access to critical insights. This practice enhanced data-driven decision-making within the organization.
- Familiarity with database modeling and basic normalization techniques, and willingness to expand knowledge in these areas.
- Identified and fixed performance issues across the codebase and database queries.
- Led a project focusing on SLA management, delivering timely updates, and diligently following up with the source team to address any issues. This demonstrated a commitment to meeting service-level agreements and ensuring the success of support initiatives.

CERTIFICATIONS

- ***Microsoft Certified:*** Azure Data Engineering DP-203, Azure Data Fundamentals DP-900, Azure Fundamentals AZ-900, Databricks Lakehouse Fundamentals DB.

EDUCATION

Bachelor of Computer Applications | GITAM University, Vizag   *June/2019 - July/2022*

- ***CGPA:*** 7.9/10
- ***Course Work:*** Database Management, Software Engineering, Web Development (HTML, CSS, JAVASCRIPT, NPM), Rest APIs.

AWARDS/RECOGNITIONS

- **Sparkling Stars Award:** Recognized for outstanding data integration and management contributions at Accenture.
- **IS Security Elite Advocate:** Acknowledged for promoting information security practices within the organization.
