PROFESSIONAL SUMMARY

Results-driven MMDP Associate with 1.1 years of experience at Accenture. Specialized in optimizing data integration and management within Microsoft Azure Cloud Environments. Proven track record of creating efficient linked services, dependencies, and stored procedures in Azure Data Factory. Led initiatives resulting in seamless data workflows and maintained a remarkable 99% data pipeline up-time.

Quickly adapt to and excel in understanding complex applications and architectures. Eager learner committed to staying updated with new technologies in the dynamic data domain. Dedicated team player, contributing to a collaborative and innovative team environment.

SKILLS

Data Integration and Management:

T-SQL Queries, Stored Procedures, Complex Scalar-value Functions, Visual Studio, Azure Data Factory(ADF), Azure Data Lake Storage, Azure SQL SERVER.

Programming and Scripting:

Python, Pyspark, RDBMS(SQL Server).

Cloud Platforms:

Azure, Azure Databricks

Data Visualization and Version Control:

Power BI, GIT/Github.

EXPERIENCE

Data Engineering, Accenture   ***October 2022 - October 2023***

- Role: MMDP Associate
- Experience: 1.1 years at Accenture
- Successfully developed and implemented innovative solutions in data integration, including the creation of efficient linked services, dependencies, and stored procedures in Azure Data Factory.
- Proven adaptability demonstrated through proficiently working in multiple shifts and showcasing dedication to project needs.
- Developed impactful Power BI reports for data visualization and insights generation.
- Developed and optimized T-SQL queries, stored procedures, and complex scalar-value functions.
- Utilized Visual Studio and SSIS tools for ETL solutions.
- Played a key role in the evaluation of business processes through the creation of benchmark reporting and maintaining key metrics.

- Demonstrated exceptional multitasking skills by efficiently handling and monitoring multiple projects simultaneously.

CERTIFICATIONS
- Microsoft Certified: Data Engineering on Microsoft Azure [DP-203](DP-203)
- Microsoft Certified: Azure Data Fundamentals [DP-900](DP-900)
- Microsoft Certified: Azure Fundamentals [AZ-900](AZ-900)
- Academy Accreditation - Databricks Lakehouse Fundamentals [DB](DB)
- Microsoft Certified: Azure AI Fundamentals [AI-900](AI-900)

EDUCATION
Bachelor's degree, Bachelor of Computer Applications   ***June/2019 - June 2022***
Gandhi Institute of Technology and Management
- GPA: 7.9/10
- Courses: Database Management, Software Engineering, Web Development (HTML, CSS, JAVASCRIPT, NPM), Rest APIs.

AWARDS/RECOGNITIONS
- **Sparkling Stars Award** (04/06/2023): Recognized for outstanding contributions in data integration and management at Accenture.
- **IS Security Elite Advocate** (06/09/2023): Acknowledged for promoting information security practices within the organization.

Soft Skills:
- Proven written and verbal communication skills.
- Strong analytical and problem-solving abilities.

LANGUAGE
- Telugu (Native Proficiency)
- English (Fluent)
- Japanese (N4 Level - Read, Write, Speak)
